

AWARD-WINNING DISPENSARY POS. 5-STAR LAUNCH & SUPPORT.

With so many startups entering the technology space, it's rare to find cannabis retail software with a track record like ours. Cova has been the fastest-growing software solutions company in the industry and is now the #1 cannabis POS in North America, trusted by 2,000 dispensaries from coast to coast. Our reliable, easy-to-use cannabis POS simplifies compliance and streamlines complex operations.

Why Cova POS?

- Automated, stress-free compliance. Features like ID-scanning and purchase limit alerts save you time and protect your license.
- Fast, reliable point of sale is high-volume tested, with 100% uptime on 4/20 and a backup Offline Mode if Wi-Fi fails.
- Award-winning, intuitive design makes it easy to onboard new staff and offers fast access to product information and customer history.
- Seamless integration with the best partners and largest cannabis tech ecosystem. Flexible choices that fit your needs and grow with your business.
- BioTrack integration ensures accuracy and streamlined compliance with state tractability.
- Industry-leading launch and support you can count on to set you up for success.

Ecosystem
